Sir,

Subject :- Establishment - Temporary - Bellary Division- Plassey Barracks - Continuance of two Supervisors.

(P)

In G.O.No.Ms.2048-P.W.D., dated 21/8/1941, communicated with your Endorsement No.4229-E/41-3, dated 29/8/1941, sanctionwas accorded for thecontinuance of the following staff :-

One Supervisor - 3 months from 10/8/1941 A.N. to 10/11/1941 A.N.

One Supervisor - 6 Months from 3/9/1941 A.N. to 3/3/1942 A.N.

Sanction for the second item was subject to the condition that it should be uitlized only if orders of the Government to proceed with the new items of work were received in the meantime. The orders to proceed with the new items of work not having been received, and there being no prospect of it, the sanction of the second item is not being utilised.

The Supervisor continued under item 1 of the sanction will have to be relinquished on 10/11/1941 A.N. There is still a grant of Rs.30,000/- to be spent on the work, and even now petty items are being freshly added on by the Jail Department for execution. The Executive Engineer has applied for sanction to the continuance of the existing Supervisor beyond 10/11/1941, till 31/3/1942. This is quite essential in view of the circumstances explained by the Executive Engineer in his letter (copy enclosed).

p 4 infra

I request that the sanction of Government may please be obtained for the continuance of theSupervisor and a peon till 31/3/1942.

H.G.Jackson, 15/10/1941.
Superintending Engineer,
Bezwada Circle.

Copy of letter No.1638-S.E., dated 9/10/1941 from Sri T.S.Venkateswarlu Naidu, B.A., B.E., Executive Engineer, Bellary Division, to the Superintending Engineer, Bezwada Circle.

Subject :- Establishment - Temporary - Bellary Division - Plassey Barracks - Continuance of one Supervisor end of 3/42 - Sanction - requested.

Sanction was accorded in G.O.No.Ms.2048/21-8-1941 for the continuance of one Supervisor from 10/8/1941 to 10/11/1941 A.N., and another Supervisor from 8/9/1941 to 3/3/42 A.N., but the sanction of ~~Sanxorn~~ the second Supervisor for the period 3/9/41 A.N., to 3/3/42 A.N., has not been utilised as the orders of Government to proceed withthe new items of works are not received so-far. Hence the sanction for the one Supervisor engaged on the work expires on 10/11/1941 A.N

There is still an amount about Rs.30,000/- to be spent on the work. All balances of materials borne on the work have to be disposed of and accounts rendered. Consequent on the improvements now made, the register of buildings has to be revised. All completed plans of the second stage of the scheme have to be verified and certified. Still there are frequent requisitions for petty works to be done from the Jail Department. All these items of works will require the services of a whole time supervisor and these works cannot be attached to the regular town works supervisor, Bellary as it is impossible for him to attend to the Plasse Barracks works without detriment to his regular work which is already in arrears.

Hence I request that sanction may kindly be obtained for the continuance of one Supervisor from 10/11/1941 A.N.. to

It will be seen from p/27 of the linked file re. progress report on works of Plassey Barracks for the week ending 23.10.41 that the various items of work have been completed except one item, viz, provision of new pumping plant and that this item is to be carried out by Messrs Marshall & Co.

It is for P.W.D. to satisfy themselves that the Continuance of the Staff till 31.3.42 is necessary.

work will engage the Supervisor till the 31st March 1942. The demand for his employment till that date has been made on the assumption that the Jail Department will send in requisitions for more petty works to be done. This does not, however, appear to be the case. Finance may perhaps suggest that the Supervisor and his peon may be continued for a month from the 11th November 1941. If his further retention is considered necessary the C.E. will no doubt come up later on in due course.

note at p 2 ij and M on p. 4 cf.

The C.E has applied for sanction to continue his existing Supervisor and his peon from 11th November 1941 forenoon to 31st March 1942 afternoon in connection with his repairs and improvements to the Planey Barracks works. It is observed from the progress report on these works for the week ending 23.10.41 that the various items of work have been completed except one item viz provision of new pumping plant, and that this item is to be carried out by Messrs. Marshall & Co. Apparently the Supervisor is now engaged only

on the revision of the register of buildings and on the verification and certification of all completed plans of the second stage of the scheme of improvements to the barracks. The Govt do not consider that this work will engage the Supervisor till 31st March 1942. Moreover, it does not appear that the Jail Dept. will send in requisitions for more petty works to be done as suggested by the S.E. In these circumstances, the Govt accord sanction to the continuance of the Supervisor and this peon for one month from 11 th November 1941 forenoon.
